PPP – A recipe for economic recovery and infrastructure development

6th Annual PPP Conference

16 & 17 June 2021

The Ministry of Finance will be hosting The 6th Annual Public Private Partnership (PPP) Conference under the Theme "PPP as a recipe for economic recovery and infrastructure development". Over the past 18 months, the PPP Unit and Committee have made significant strides to develop Namibia's PPP framework. Public Private Partnerships have been identified as a critical avenue through which to engender an economic recovery plan by the Namibian Government and are thus a key priority under Economic Advancement Pillar of The Harambee Prosperity Plan II.

Join us on the 16th and 17th of June 2021 as we showcase the Solid Foundation established, upon which the Public and Private Sectors can build a thriving and sustainable economy for ALL Namibians.

The Conference will feature Guest Speakers from: NIIF – India, PPP Directorate – Nigeria, Green Hydrogen Developers – Australia and many others.
